Stjepko Rošin

Born in Split, January 14th, 1972, the first larger art education was in high school for Applied Arts in Split, bearing masonry. Worked with various art techniques including graphite pencil, watercolor, design in clay and stone on which graduated.

Inter-study design in Zagreb gave him a broad education and ultimately directed him towards graphic design on which he graduated in 1998.

Upon completion of institutional education, he dedicates time on a daily basis to perfecting his knowledge.

He gained his first work experience in his father's company, "Studio R". He briefly worked in Central Applied Art school in Split as a teacher for the subject Photographic Design.

However, the pursuit of free expression encouraged him to work independently from 2000 and, to date, signs about 300 design works.

Member of the Croatian Designers Society since 2000. and the Croatian Society of Independent Artists from 2002.

Also worked with art photography with a list of a dozen held solo exhibitions

Rođen u Splitu, 14.01. 1972., prvo veće umjetničko obrazovanje stekao je u Srednjoj primjenjenoj umjetničkoj školi u Splitu, smjer klesarstvo.

Susreo se sa raznim likovnim tehnikama uključujući grafitnu olovku, akvarel, oblikovanje u glini i kamenu na temu kojeg je i maturirao.

Interfakultetski studij dizajna u Zagrebu dao mu je široku naobrazbu te naposljetku usmjerio prema grafičkom dizajnu gdje je 1998. godine i diplomirao.

Završetkom institucionalnog obrazovanja, ne prestaje njegovo usavršavanje znanja kojem svakodnevno posvećuje određeno vrijeme.

Prvo radno iskustvo stekao je u očevoj tvrtki, „Studio-R“-u. Kratko je radio u Srednjoj primjenjenoj umjetničkoj školi u Splitu kao profesor za nastavni predmet Fotografski dizajn.

Ipak, težnja za slobodnim izričajem ohrabrila ga je da od 2000.g radi samostalno nakon koje, do danas, potpisuje oko 300 dizajnerskih uradaka.

Član je Hrvatskog Društva Dizajnera od 2000 god. te Hrvatske Zajednice Samostalnih Umjetnika od 2002. g

Bavi se i umjetničkom fotografijom uz popis od desetak održanih samostalnih izložbi.
